Northern Lights Peterborough

Recently Activity Haven recruited the services of your organization through Michael Walker, an Employer Liason. I would like to forward my appreciation with the efficiency and professionalism that Mr. Walker showed throughout the past weeks. He took a task that can be difficult and time consuming at the best of times and make it refreshing and simple. In the end we found a perfect employee suited for the position. I will not think twice before contacting your services in the future, as well as spreading the word of the great things your organization can do for Peterborough.

Shirley Shaw
Executive Director
Activity Haven Senior Centre (Peterborough)
